The National EMS Memorial Service has, since 1992, been honoring America's EMS providers who have given their lives in the line of duty. The 26 individuals being honored this year join 512 others previously honored by the National EMS Memorial Service.

At the first service to be held in Colorado Springs, members of the honoree's families will be presented with a medallion, symbolizing eternal memory; a U.S. Flag which has flown over the Nation's Capital, symbolizing service to the country; and a White Rose, symbolizing their undying love.

In addition to the presentations made during the Service, each honoree's name is engraved on a bronze oak leaf which is added to the National EMS Memorial.
